Appln No. 10/017,185
Amendment Dated September 29, 2004
Reply to Office Action of August 20, 2004

This listing of claims will replace all prior versions, and listings, of claims in the application:

Listing of Claims:

5 Claims 1-11 (canceled)

12. (previously presented) A method of making a perfect bound book having a book block comprising a multiplicity of paper pages, a double laminated cover having a paper cover, an inner lamination and an outer lamination adhered to the inner and outer faces of said paper cover, said book block having one lateral edge thereof referred to as a spine, said method
- 10 comprising the steps of:
- a. forming said book block;
 - b. laminating a suitable plastic film to the outer face of said cover so as to constitute said outer lamination;
 - c. laminating a suitable plastic film to the inner face of said cover so as to constitute said inner lamination, said cover with said inner and outer laminations adhered
 - 15 thereto forming said double laminated cover;
 - d. after laminating said double laminated cover, roughening at least the surface of a central portion of the inner face of said inner lamination so that said adhesive will effectively bind said spine to said inner lamination in the area of said central
 - 20 portion;
 - e. applying an adhesive so as to be disposed between said spine and said central portion of the inner face of said double laminated cover upon binding of the book;
